ACTION DEPARTMENT 1663, INFORMATION CAIRO 16.

Disarmament.

Ahmed (UAR) approached US Delegation Officer yesterday, apparently under instructions, expressing concern over Brazilian resolution regarding denuclearized LA and Africa. Thrust of his argument was that UAR was both African and Middle Eastern country with commitments both areas. While UAR might be willing modify its commitments in Africa, it could not do so in ME. UAR attitude would be same even if ME were included in Brazilian resolution, which now not case. Therefore, UAR would be happy if Brazilian resolution were altered so it would take same form (an appeal) as last year's denuclearized Africa resolution. Suggested it merely refer to last year's resolution.

Ahmed said UAR Delegate had not yet spoken to Brazilian Delegate and was for present confining its views to US Delegation because understood US Delegation was in touch Brazil Delegation and could influence form of Brazilian resolution. He flagged possibility that if resolution retained form unacceptable UAR then UARDEL might move to amend it by adding Europe and Asia as areas to be included. This, he said would place US in position having to argue UAR case, since US position regarding denuclearized Europe and Asia was same as UAR position regarding denuclearized ME.
